

# Meaning of Christmas

By Charles Stanley, 12/23/2018

Christmas is the celebration of that moment when God came to earth in the person of His beloved Son, Jesus, to reconcile sinful man unto Himself by His substitutionary death on the cross.

God in His love elected to come to earth and pay the supreme penalty for sin, death by crucifixion, thus making it possible for sinful humanity to be brought into a right relationship with God through faith in the death of His Son.

Christmas is that moment in time when God, in His unconditional love, stepped out of heaven onto the earth so that we might one day step out of the earth into heaven for all eternity.
